The general membership will vote on the date and location of the annual picnic. Date will be in July or August and the location will be the Herb Farm, Holtsville Ecology site or Longwood.

The Holiday party was discussed and decision was made to poll membership on tentative date of December 10 or 11, to stay at the Miller Place Inn and should there be entertainment.

Kathy Van Dyke will do February raffle and Edith the month of March.

Ann Copelli recommended that the time for sale of raffle tickets be restricted to 15 minutes.

There was a discussion on appointing several members responsible for planning the different events and trips. It was decided that day trips are preferable to overnight trips.

It was suggested that a member garden tour be organized. Having refreshments at different members' gardens was suggested. Discussion was tabled for next meeting.
